REPORT AND RECOMMENDATION OF UNITED STATES MAGISTRATE

Petitioner, an inmate confined in the United States Medical Center for Federal Prisoners, petitions this Court for a writ of habeas pursuant to 28 U.S.C. § 2241. The petition has been referred to the undersigned for preliminary review under 28 U.S.C. § 636(b). Because petitioner has failed to state a claim upon which relief can be granted, it must be recommended that he be denied leave to proceed in forma pauperis.

The Court notes, initially, that petitioner has been committed to the custody of the Attorney General pursuant to 18 U.S.C. § 4246. United States v. Franklin, No. 90-3445 (W.D. Mo. 1990). He has twice been conditionally released from that commitment, and both releases were revoked because petitioner violated conditions of his release. Annual reports have been submitted regarding the appropriateness of continued mental health treatment, as required by 18 U.S.C. § 4246(e)(B). Petitioner's commitment is lawful.

As grounds for relief in habeas corpus, petitioner has failed to set forth any assertions

challenging the conditions of his confinement that are comprehensible. For example, as his grounds for relief he states “Attorney general failure in non-complying in the legal procedure to sustain a USC 4246 commitment and 4245.” [Petition, at 3]. His supporting facts begin with “mandate within due process of the [illegible] residing in the copywright [sic] in the denture of the endowed invested within the attribute of the statutory limitation of the expiration of 6 yr of just compensation of the awarded is”[Id]. Even imparting a liberal construction to petitioner's pro se complaint, because petitioner's allegations are not sufficiently specific to state a claim in this case, his petition should be dismissed. Black Spotted Horse v. Else, 767 F.2d 516, 517 (8th Cir. 1985).

For the foregoing reasons, it is, pursuant to the governing law and in accordance with Local Rule 72.1 of the United States District Court for the Western District of Missouri,

RECOMMENDED that petitioner be denied leave to proceed in forma pauperis, and that the petition for habeas corpus relief be dismissed without prejudice.
